

Four Areas to Ask Resource Leaders in One-on-One Discipleship

Over 3-4 months, bring up topics from each area so you support your friend's growth more holistically. You can use *Tools for Mentoring* to introduce the topic, or use *TFM* to address specific concerns that surface during your conversations. Use one section, such as "Resolving Conflict" in Talking Christianly module, or use the whole module. Make learning mutual. Ask about their small group leaders weekly. Pray together for small group leaders and each other. Modules listed in one quadrant may relate to topics in other quadrants.

Ministry: Resourcing Small Group Leaders

Choose from the following questions in each conversation.

Use www.toolsformentoring.com/small_group_resources

- What are you discovering through your one-on-one conversations with each of your small group leaders?
- What is currently happening in the groups that gets you excited?
- What struggles do you hear? What can I do to help?
- What are each of your leaders doing to facilitate community, Bible discussions, prayer/worship, and reaching out to yet-to-believe friends (mission)? How can I help?
- Who are you sharing Jesus with?
- What needs are you aware of in the lives of the leaders and members of their small groups?
- Who in the groups are potential small group leaders? What is happening to prepare him/her?
